Image Release

Web Site - The A.V. Children's Choir website has a member's only page that all singers and families are asked to visit each week. Updates will be posted here. This will include schedules, performances, and other important dates. You will be given a password once registration is complete.

The site address is **antelopevalleychildrenschoir.org**

If you **do not have access** to the internet, please check this box ❑

Your choir manager will try to keep you updated in person at rehearsal drop-off. Please make the point to connect with your manager each rehearsal.

Image Release - We strive to raise community awareness of our talented group. To this end, the Choir will, at times provide photos of choir members to the press for publicity and fundraising purposes. The Choir also uses photos on the website and in other literature. These photos mostly consist of group shots of the choir performing. To protect your privacy, individual children will never be named without parental approval.

Your Singer's Name: _____
Please complete this form for each individual singer.

I acknowledge this information and agree to the Web Site and Image Release Policies:

_____	_____	_____
parent/guardian printed name	parent/guardian signature	Date
